

**Geneva Dialogue on Environment,  
Climate, Conflict, and Peace:  
Meeting 16**

*13 April, Zoom*

*Participants: 13 participants*

This meeting was an unstructured, active discussion exploring individuals' and organizations' proposed contributions to the [White Paper on the Future of Environmental Peacebuilding](#).

Topics included:

- Rights based approaches to environmental peacebuilding
- A migration lens on the compounded risk of climate change, disaster, and violent conflict
- A wide youth consultation on youth priorities for environmental peacebuilding
- How the hard sciences might connect with policy and social science spaces for environmental peacebuilding
- Collaborations between hard scientists and citizen scientists towards peace processes
- Environmental peacebuilding & governance: Investigating the levels of policy where we apply EP
- Securitization of climate action
