

**Geneva Dialogue on Environment,  
Climate, Conflict, and Peace:  
Meeting 25**

19 October, Zoom

Participants: 15 participants

**Updates:**

- We want your input on the short policy version of the *White Paper on the Future of Environmental Peacebuilding*. [Registration pages here](#). This is your chance to **help frame some of the recommendations** for the future of the environmental peacebuilding field.
  - 3 November, 9:00 CEST
  - 8 November, 17:00 CEST (en français, in collaboration with Geneva Water Hub)
  - 9 November, 15:00 CEST
  - 15 November, 17:00 CEST (en español, in collaboration with Alexis Manuela Cañari)
- [Geneva Peace Week](#) is coming up from **1 to 5 November** and will again feature an entire track dedicated to ECCP issues. Please see the programme for more details and to register to join. The forum will be held online, except for a few key high-level in person events.
- Mark your calendar for **2 to 4 February 2022** here in Geneva. The [Second International Conference on Environmental Peacebuilding](#) will be a major touchpoint for all working on these issues, to be held at the Graduate Institute.
- We have a small group of folks working together to prepare for Stockholm+50. Stockholm+50 will be a 2-day ministerial meeting, but it looks like there will be 1 day of more open events.
  - We're coordinating with partners in Sweden in both the government and civil society, and would like to harmonize our vision for landing the peace and security conversation there as much as possible.
  - We will have one more conversation about it this year, so if you'd like to join, let Annika know.
- The ECCP group is coordinating on an event at Chatham House's [Climate Security Pavilion](#) (online) at COP26.
  - Join us at 10am CEST on 9 November.

**Discussion:**

- Protection Approaches
  - A UK-based organization working on identity-based violence prevention
  - Exploring climate change
  - Recently put out a [piece on the need for atrocity prevention in conflict settings](#)
