## TWO WORLD-VIEWS

### Peacebuilding
- **Notion of Peace**
  - Just relationships, mutual care. Shared economic and political power and responsibility. Demilitarised world. Constructive conflict culture and systems. Planet as home.

### Pacification
- **Notion of Peace**
  - Stability and hegemony. Top down control, political and economic. Strong military as guarantor of control. Planet as resource to exploit.

### Approach to International Regulation
- **Peacebuilding**
  - Principled and democratic

- **Pacification**
  - Conditional and instrumental

### Approach to Conflict and Change
- **Peacebuilding**
  - Multi-levelled, bottom-up; work of and in support of local actors.
  - Nonviolent, constructive; achieving just outcome for all.
  - CR to address human needs.

- **Pacification**
  - Top-down, hegemonic, interventionist.
  - Military pacification ‘if necessary’ in own interest. Win-lose.
  - CR to avoid destabilisation.

### Approach to Power, Reality, Process/Outcome, People
- **Peacebuilding**
  - Power as capacity to achieve things; cooperatively.
  - Process and outcome inseparable.
  - All people are subjects, and no-one is expendable.

- **Pacification**
  - Power as ability to dominate.
  - Process and outcome separate.
  - Some people are instruments and may be expendable.

### Values
- **Peacebuilding**
  - Common good
  - Respect and care for all

- **Pacification**
  - Own success
  - Respect for power
  - Us and ‘them’

### Notion of Security
- **Peacebuilding**
  - Interdependence

- **Pacification**
  - Eat or be eaten.

---

**Point of departure**
